

MAKING PAYMENTS / PAYING OFF YOUR SHORT-TERM LOAN

There are many ways you can make payments or pay off your short-term loan. The key when paying towards this loan is that we need to make the payment in-house once you get the funds into your savings account. The reason is that this loan is a balloon loan, so it is looking for a payment from you ONLY on the due date and not before. We can circumvent this in-house once you take one of the following steps to make the funds available.

MOBILE DEPOSIT

You can deposit a check via the mobile deposit feature within our app and note in the memo section "short-term loan payment". There is a \$5,000 limit on these deposits, if you'd like to deposit more please reach out and we can increase the limit for you.

EXTERNAL TRANSFER

You can transfer funds to your savings through external transfer via online banking (the funds would be deposited into your savings account and can be moved per your request via email, phone, or chat)

LOAN PAYMENT PORTAL

Make a one-time payment or schedule reoccurring payments to your loan via our loan payment portal. See details on how to use the portal [here](#). Please note if using a credit or debit card fees apply. Max payment amount is \$6,000 per payment.

PHONE

A telephone payment/payoff for you with a \$10.00 processing fee

MAIL

Mail check to CECU, P.O. Box 4233, Englewood CO 80155. Please write "short term loan payment: in the memo section. Do not mail cash.

SHARED BRANCH

Visit one of our [shared branch locations](#) in your area to make a deposit in person. Use [this link](#) to find one in your area.

BILL PAY

You can make a payment by using bill pay from a different financial institution, just be sure to indicate you want the funds applied to your short-term loan and we will apply upon receiving payment.
